Kod EAN	**6970078070332**
Producent	**Feiyu Tech**

Opis produktu

Kamera na zdjeciu nie jest częścią zestawu
Specyfikacja produktu

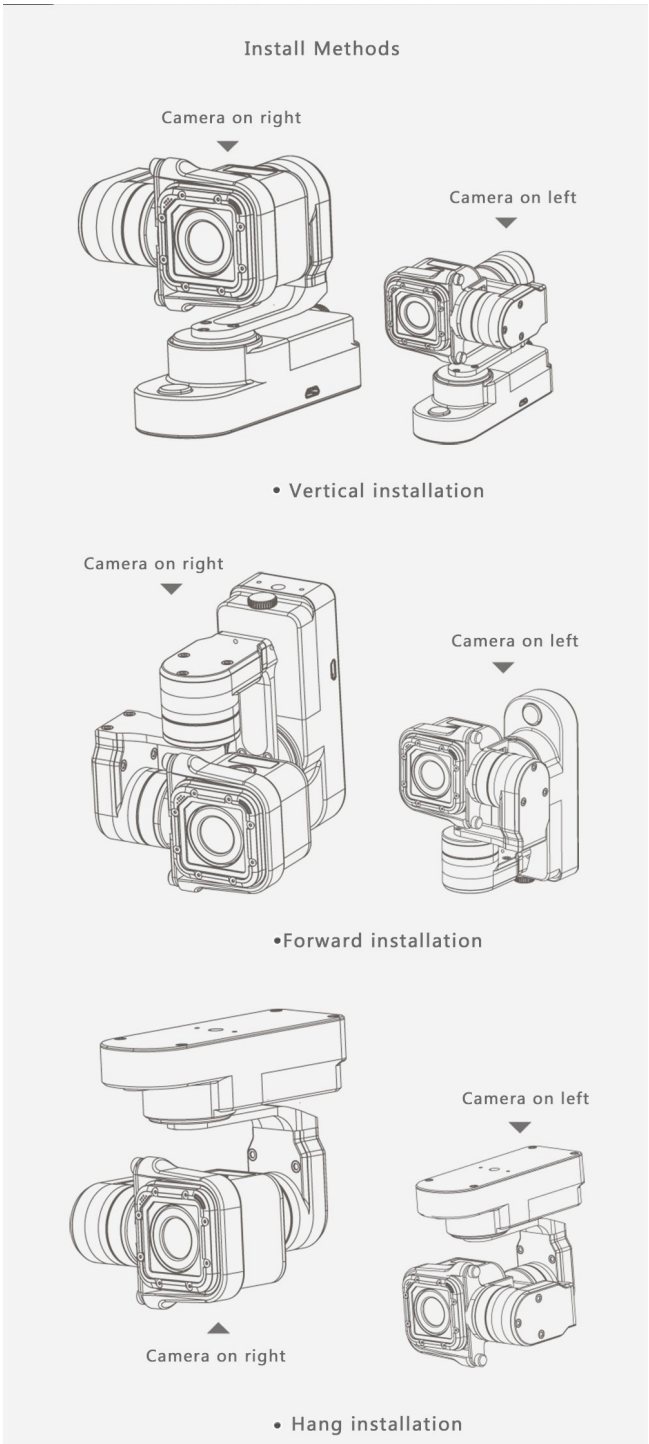

- Marka:FEIYUTECH
- Ekran wyświetlacza:Nie
- Typ karty pamięci:Brak
- Szerokokątny:180 °
- Wbudowana Rozmiar pamięci:Nie
- Stabilizacja obrazu:Elektroniczna stabilizacja obrazu
- Obsługa kart pamięci:128g
- Ekran dotykowy:Nie
- Remote Support sterowania:Tak
- Pojemność baterii:900mAh
- Waga:151g, 200g
- Wysoka Pomoc Definicja:720P (HD)
- Bluetooth Support:Nie
- Opakowanie:Tak
- NFC Support:Nie
- Wyjście HDMI:Nie
- Wodoodporny:Nie
- Pomoc WIFI:Nie
- Funkcja NightShot:Nie
- Typ sensora:CCD
- Numer modelu:FY-WGS

WGS
WGS 3 axis wearable gimbal
is a lighter weight, nice outlook, feature-riched gimbal
which design for GoPro Hero4 Session camera.
Lighterweight
No need to adjust the parameters
Quick dismantle
Wireless remote controller

More compatibility
WGS can compatible with many accessories of Gopro’ s with the T clamp
come with 1/4 inch screw hole
can connect all accessories which have 1/4 inch screw .
Two 1/4 inch screw holes
Smart design makes it mount to helmet,
your body, bike, selfie stick, skateboard, car etc.

Lighter-weight motor, offer power seperately
The WGS is developed through meticulous engineering and ever-improving manufacturing process. The reduction in size is achieved without sacrificing any gimbal features that our customers love. A portable, self-powered and energy-efficient gimbal is born.

Soft innovation bring a new experience for the smart switch
turn on/off with the same function button , more convenient,
briliant current control technology make the current consumption lower to 10 μA
