Opis produktu

Let's meet the iH3 - a new high-quality cruise drone that offers an exceptional flying experience at an affordable price.

Its H-shaped frame structure and Anti-Spark Filter ensure balance and stability even during intense operations. Moreover, it can carry a naked GoPro for more exciting flight footage.

Recommended batteries:

1050mAh 4S // Maximum power, ready for freestyle with stick feel of a 5inch and great range for Mid-LongRange cruising.

850mAh 4S // Great weight to power ratio for your daily adventure.
